

Job Posting – Distance Learning Instructor

The Centre for Environment is currently seeking a Distance Learning Instructor to teach CEM 406 Climate Change and Human Health from January 17th to April 8th 2011. All courses offered through the Centre's Professional Development Programs are fully online.

Please see the following link for the course syllabus: <http://learn.environment.utoronto.ca/distance-education/courses/cem-406-climate-change-and-human-health.aspx>

A PhD degree is preferred with demonstrated knowledge of subject matter. Previous on-line instruction is an asset, but not required.

Deadline for application is 5 pm, December 20th, 2010.

Please forward your CV and cover letter to Donna Workman at d.workman@utoronto.ca
