Degree and area of specialization:
BA Double Major in Environmental Studies, and Political Science

Why did you choose to study in the School of the Environment?
My passion is to protect and preserve the natural world.

What is your favourite memory from your time with the School?
The internship that I completed in my final year gave me the professional experience to enter the workforce.

What have you learned about yourself through the program?
How multifaceted this degree is, and the numerous ways I can apply it in the world.

What are your plans upon graduation?
I started working for an environmental firm when I completed my fall term.
