Tianyuan Ji

CLASS of 2020

Degree and area of specialization:
BSc Major in Environment and Health

Why did you choose to study in the School of the Environment?
I think environment and human health are both very important and I wanted to learn more about them.

What is your favourite memory from your time with the School?
There are so many important memories from my time with the School.

Do you have any advice for incoming students?
Choose a program that you like.
What are your plans upon graduation?

I plan on working for couple years and then go back to school again.

How have you been affected by the global COVID-19 pandemic? What are your thoughts about the future?

I’ve been at home for over a month, hope I can go out soon.
